

## **RTM Al-Kabir Technical University's Student's Team "The Dreaders" Secured 2<sup>nd</sup> Rank as "Best Popular Team" in ICPC Asia Dhaka Regional 2023**

In a remarkable showcase of coding brilliance, "The Dreaders" Student's team from RTM Al-Kabir Technical University emerged triumphant at the ICPC Asia Dhaka Regional 2023. Surpassing more than 2500 teams and representing 130 universities, they secured the esteemed title of "Best Popular Team," clinching an impressive 2nd rank at the competition held on November 4, 2023.

This phenomenal achievement by The Dreaders garnered praise from luminaries in the tech and academic arenas. Dr. Muhammed Zafar Iqbal, a revered author and academic stalwart, graced the event and presented the award to The Dreaders. Accompanying him was Professor Dr. Md. Fayyaz Khan, the esteemed Dean of the Faculty of Engineering & Applied Science at BUBT, who commended the team's outstanding performance.

The competition, known for its intensity and competitiveness, witnessed The Dreaders comprising — RTM-AKTU's 1st batch students of the CSE department- Shiek Md. Anwar Hussain Mizan, Syeda Musa Jasia Mujaffar Tule, Md. Adibal Rahman Ifaz, Shahnaj Parbin Doly, and Rasa Iffat Helmi as coach, faculty of the CSE department — demonstrated exceptional skills, remarkable teamwork, and innovative IT abilities, earning them widespread acclaim. Their success amid such a vast array of participants underscores RTM Al-Kabir Technical University's commitment to fostering talent, dedication, and an innovative approach among its coding enthusiasts.

Honorable Chairman and Founder Freedom Fighter Dr Ahmed Al Kabir and Vice -Chancellor o, faculties and administration of RTM Al-Kabir Technical University extended their warmest congratulations to The Dreaders for this prestigious accolade. The team's expertise not only shines brightly but also enhances the university's stature in the realm of coding and technical excellence on a regional platform.
